I had to give this group a huge fucking shoutout. They saved my ass. I'm utterly blown away by the sheer LOVE I feel right now. These are MAGA people, we stick up for each other, we're the greatest team the world has ever seen, and I PROMISE you all, that I will contribute my fucking ass off until I die from exhaustion, and even then, I'll help this fucking movement from my grave. I love America, Donald Trump won the election by a mile, and since I'm not the toughest guy in the world, I'm gonna contribute to any freedom loving patriots who are hungry and in Washington! Just look for the tall lanky guy!

I'll be giving out free food to hungry people out in the cold

Good luck and God Bless!

Yeah seriously. Even the parts of Reddit that should have nothing to do with politics whatsoever, like tech support subreddits, are filled with disgusting communist trash. I hope they go out of business! Thank you! God bless you too!

Reddit would send you a platinum award and then there'd be a giant circlejerk talking about puns, star wars, and orange man bad

I'm so glad you posted about this organization! I'm older and my health won't allow me to travel to DC. Even though I've been emailing politicians, etc., I felt really bad that I couldn't do more. Donating let me feel like I was able to help in a small way. Stay safe and thank you for your patriotism! I'm praying for all of you as well as for this great country of ours!

Reddit is mostly Canadian scumbags. Look at it, most of it is Canadians bashing us with a queen from another country on their money. Phucking communists shitbags.

I'm heading up to NY right now to pick up a friend, then straight to D.C, I'm fueled by sheer willpower and red bull, but I'm not sure where to park. I'm open to suggestions for safe spaces (lmfao) to park

Maybe it's just me but I'm super confused.

First why is Fort Myers misspelled, second why would you drive from the southernmost part of Florida to the northern most part of New York near Canada and then back down to Washington which is in the middle of the middle Atlantic?

Are we sure this is for real?

I live in between Tampa and ft Myers. It would be real easy to Doxx me, and I didn't wanna make it any easier. I moved to FL from NY, still have lots of friends there, I'm picking one up. I'm about 200 miles from DC now. I'd be happy to provide evidence, if it helps keep faith that me and others that got help from this group didn't just waste the money on shit.

It's nothing personal, it's just that there's far too many people scamming on the Internet these days for money... I hope you understand that.
